CHOOSING YOUR HOME HEALTH AGENCY

We believe in empowering our patients with the knowledge to choose the right home health agency.

- Ask to meet with your home health liaison
- Ask how our company will help you obtain the best care in your home with your acute illness or physical limitations
- When selecting your home health agency remember, It's Always Patient Choice First

MISSION

DMJ Home Health Services is committed to provide not only the skilled care of our highly qualified nurses, therapists, social workers and home health aides, but a personal connection with those entrusted in their care. Through this integral combination of care and trust, we strive to help each patient reach their maximum potential independence, while treating them with dignity, respect, and compassion.
